#### From The Editor Raushana Karriem

Have you ever had a moment when something in your mind becomes clear? When you instantly become aware of something that you did not read in a book or that no one told you? You know something that you did not know before?

This feeling is called an epiphany. This is the feeling the Honorable Silis Muhammad had on his visit to Russia, as he expressed in his lecture, delivered on Saviour's Day 2012. We are printing the second installment of it,

as the lecture was four hours long, and it was not possible to print it in one issue.

In this second installment, we will follow the Honorable Silis Muhammad's 'awakenings,' as he guides us to our own 'awakenings' of the true identity of John the Baptist and Jesus.

How does the Bible speak of John the Baptist and Jesus? How does the Holy Quran speak of them? Are these two persons of ancient history or did we know them in modern

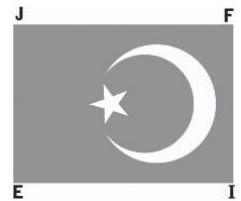

history?

Will the true knowledge of John the Baptist and Jesus lead us on the path, or epiphany, of the Muslims?

Read the words of the Honorable Silis Muhammad and hopefully you will be guided to your own 'awakening.'

"OF COURSE, I CAN TELL YOU WHAT YOU'LL BE FIGHTING FOR — JUST AS SOON AS YOU SIGN."
